**CONSENTS:**

**Please read the following statements. If you understand and agree to the conditions, please sign and date the form at the bottom.**

I understand that I will need to provide personal information that includes, but is not limited to medical, dental and financial conditions.

I give my consent for the coordinator to obtain information relevant to my eligibility for the DDS program from my physician, dentist, individuals who know me and/or government or private agencies. I give permission to the coordinator to share pertinent information about my eligibility with one or more volunteer dentists in the DDS Program.

I realize that application to the DDS program does not ensure I will be referred for an examination or that I will be accepted as a patient following examination. I understand that the Maryland Foundation of Dentistry for the Handicapped, which coordinates the Donated Dental Services program, will determine whether I am eligible for the program and, if so will seek to refer me to a participating volunteer dentist. I further understand that the dentist, not the Foundation, is solely responsible for diagnosis and any possible treatment that I might receive for my dental needs.

I understand that the dentist(s) have volunteered to treat my existing dental condition and are not obligated to provide donated care in the future or to maintain me as a patient.

I understand the importance of keeping all scheduled appointments. Failure to do so, without at least 24 hours notice to the dentist, and will disqualify me for obtaining further dental treatment through the program.

To the best of my knowledge, the information provided on this form is a full and accurate disclosure of my current physical, mental and financial status.
